Lunch Hour:

As of Monday, students will need to leave their homerooms every day at lunchtime for a minimum period of 25 minutes. Students will be able to use the cafeteria (every second day) or the gym as per their schedule. If not, students will need to go outside and as such, we therefore strongly suggest that students dress for the colder weather. Every day from 12:30-12:55, the classes will be aired out and not accessible to students.

Outside Zones:

Outside zones will continue to be in effect. For the month of January, Secondary 2 and 5 students have access to the front of the school as well as the parking lot side at recess and at lunch. Secondary 1, 3 and 4 have access to the daycare side as well as to the soccer field. Students are still expected to wear their procedural masks at all times and to physically distance when not with students from their own homeroom bubble.

Please be reminded that only students in secondary 3-4 and 5 have permission to leave school property.
