Dear Secondary 5 Students, Parents and Guardians,

I hope that this email finds you well and in good spirits, as much as we can possibly be. Many of you have questions about the rest of the year and I wish to reassure you that if you were in a position to graduate after term 1 and 2, you will be receiving your certification. In order to receive your high school diploma, you will need to meet the following conditions:

1. You must obtain a MINIMUM of 54 credits in Secondary IV and V courses from which 20 credits MUST be recognized as Secondary V credits.
2. You have successfully completed the following courses:
 - a. Art Education 4
 - b. History 4
 - c. Math 4
 - d. Science 4
 - e. English 5 (term 1 and 2 summary)
 - f. French 5 (term 1 and 2 summary)
 - g. ERC 5 or Physical Education 5 (term 1 and 2 summary)

Please note that all courses taken this school year, for which you have been successful in terms 1 and 2 will be considered completed.

3. Students who are currently not in a position to graduate will be contacted over the next couple of weeks to discuss their options. If you are in such a position, it is highly recommended that you take every opportunity given to you by your teachers to increase your current marks.

You can use the following table to help you count up your credits. All the Courses required are in 2018-2019 (S4) & 2019-2020 (S5).

As you know, we will not be able to hold the regular prom as planned this June. However, the event will be postponed to a later date. Convocation for Grads of 2020 is tentatively scheduled for October 23rd, 2020. More to follow as soon as possible.

Take good care of yourselves. We are all in this together!
