LTM Updates

Dear LTM Families,

Please take note of the following changes and reminders:

- This year, Christmas Baskets are being prepared for LTM Families. If you wish to ask for a basket, please let us know by the end of this week. This year more than ever, many families are struggling and we would like to help as much as we possibly can. Please do not hesitate to reach out, all requests will remain confidential. You can request a basket by emailing Lucia De Fanti at ldefanti@swlauriersb.qc.ca
- Our next PPO Meeting is this Thursday November 19th at 7pm. Email Christina Shousha at cshousha@swlauriersb.qc.ca for the Zoom Link if you would like to join us. All are welcome!
- Our next GB Meeting is Tuesday December 1st 6:30. The general public is welcome to attend and can receive the zoom link by emailing Adam Levine at alevine@videotron.ca
- Note that the Health Directives during Physical Education Classes have changed. The practice of individual sports to reduce contact amongst students will be enforced as well as the wearing of face coverings every time there is a chance of close proximity between students.
- We will be starting **Rotating Outside Zones** this week to diversify outdoor areas for our students. Therefore, students in secondary 1-2 will have access to different zones on alternating weeks. This week, Secondary 1 Students will have access to the side of the school and soccer field while the Secondary 2 Students have access to the front of the school and on the parking lot side. The follow week we will switch. Note that there is no change for secondary 3-5 Students.
- Starting next week, Secondary 1-2 students will be able to purchase their lunch in the cafeteria on the days where they do not normally have access. On those days, students will be able to go purchase their lunch as of 12:20 pm and eat their lunch in the cafeteria.
- Please be reminded to sign up for our Parent Interviews on November 26th by responding to the email you should have received from...
- Following the addition of three Ped Days to all School Calendars, take note that December 4th and January 15th have been added to our School Ped Days. A 3rd Ped day will be added at a later time.

Wishing you all a great week and continued health
